TOWN OF MILTON
TOWN MEETING
SECOND SESSION
MARCH 17, 1990

The meeting was called to order by Moderator D.C. Current at 1pm. Retired Judge Eugene Nute offered a prayer and led the Pledge of Allegiance to the Flag. A moment of silence was observed in memory of Milford Galarneau, former Moderator of the Town of Milton.

Scott Berry moved, seconded by Douglas Shute, that there be no tabling or postponement of any articles at the meeting. The moderator stated that the motion was out or order. A vote was taken; the Moderator's ruling was sustained.

Article 4: Selectman John Gilman moved, seconded by Mary Current, to raise and appropriate the sum of $204,652 and authorize the usual and customary activities identified by line in the Safety portion of the budget.

SAFETY

Mr. Kane made a motion to reduce user cost line to $36,687.08. There was no second and the amendment was withdrawn. Mrs. Doria moved and Mr. Kane seconded an amendment to reduce user cost line by $40,000 making this line $24,000. Mr. McKinley and Mrs Doria further moved to modify the amendment to read $64,000, with $24,000 to be put in a capital reserve fund. This amendment passed and then the main motion to raise and appropriate $626,000 carried.

Article #7 Mr.Gilman moved and Mr. Russell seconded to raise and appropriate a capital budget of $145,462 and authorize payments identified by line in the Capital portion of the budget.

CAPITAL

LINE	1990	1989 BUDGET	1989 ACTUAL	1989 RECEIPTS

	145,462	237,260	140,685	

The motion carried with no amendments.

Article #8 Mr. DeFelice moved and Mr.Joos seconded to raise and appropriate $95,000 for the purpose of constructing a road in the proposed industrial park, and to borrow in the name of the Town by issuance of notes or bonds in accordance with the

provisions of the Municipal Finance Act (RSA Chapter 33) a sum not to exceed $95,000 for the purpose of defraying the costs of the foregoing and to authorize the Town Officials to issue and negotiate such bonds and notes and to determine the rate of interest thereon and to authorize the receipt and expenditure of federal and state grants that may become available for said purpose." (2/3s Ballot Vote Required)

Mr. Russell moved and seconded by Mr. Tanner to postpone indefinitely motion was denied. The vote was challenged. Motion was again denied. The ballot vote was taken with YES 132 NO 87. The 2/3s was not met. Motion denied.

Mr Canney moved and Mr. McKinley seconded having consideration of article #20 next, motion carried.

Article 20. Mr. Stewart moved and Mr. Gilman seconded, pursuant to RSA 41:47, to rescind the action whereby it voted to elect the Chief of Police, and to direct the Selectmen to hereafter appoint a Police Chief pursuant to RSA 105:1. This article shall take effect commencing at the 1991 Annual Meeting. Mr. Stewart moved and Mr. Gilman seconded an amendment making the position appointed. The amendment was tabled indefinitely and then main motion was denied; therefore the three year elected term stands.

Mr. Bruno moved and Mr. Ross seconded to consider Article #33 next. The motion carried.

Article 33. Mr. Bruno moved and Mrs. Doria seconded to adopt the proposed mandatory recycling ordinance. Mrs. Stewart amended the article to read "to become effective when Milton has a recycling center established at the landfill." It was seconded by Mrs. Ling. The amendment carried, the amended main motion carried.

Article #9 Mr. Stewart moved and Mrs. Current seconded to raise and appropriate $70,000 for the purpose of constructing a recycling building, purchasing a forklift and a baler and other recycling facilities, and to borrow in the name of the Town by issuance of notes or bonds in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) a sum not to exceed $70,000 for the purpose of defraying the costs of the foregoing and to authorize the Town Officials to issue and negotiate such bonds and notes and to determine the rate of interest thereon and to authorize the receipt and expenditure of federal and state grants that may become available for said purpose." (2/3s Ballot Vote Required) Mr. Russell moved, seconded by Mr. Chase, to amend article to read "compactor" rather than baler and not to include the forklift. The amendment was defeated. The main article by ballot was voted: YES 117, NO 65 the 2/3s requirement was not met. Article denied.

Mr. McKinley moved and seconded by Mrs. Current to consider Article #30 next. Motion carried.

Article 30. Mr. Berry moved, Mrs. Doria seconded, the resolution: Are you in favor of replacing the present Town Administrator with a new Town Administrator, with a search committee of 12 members appointed by the Town Moderator and also with a provision that no one presently holding a position in town government can apply for said Town Administrator.
Mr. Berry moved, seconded by Mr. Shute, that the article be amended to read: "Are you in favor of directing the Selectmen to terminate the employment of the present Town Administrator and to replace him with a new Town Administrator, with a search committee of 12 members with taken nominations from the floor."
A request for a secret ballot was made by petition of 6 people.
Mr. Kane moved with Mrs. Current seconding a motion to postpone indefinitely. The motion to postpone indefinitely carried.

Mr. Shute and Mr. Corbett moved that article 31 be postponed indefinitely:

Article 31. Are you in favor of doing away with the position of Town Administrator? The motion to postpone article 31 carried.

Article 10. Eugene Nute moved, seconded by Robert Bridges, that the voters adopt the provisions of the Municipal Budget Law and adhere to the general provisions of RSA chapter 32.
On a ballot vote the measure carried YES 107 NO 18

Article 11 was moved by Mrs. Banks, seconded by Mr. Nute to have the moderator appoint 5 members the first year with elected positions thereafter. The motion carried and the following members were appointed: Robert Bridges, Elaine Ling, David Mattair, Douglas Shute and Paul Smith.

Article 12. David Paey moved and Mr. Gilman seconded to raise and appropriate Three Thousand five hundred sixty four dollars and ten cents ($3564.10) for Strafford Dispatch Center, this being Milton's share. The motion carried.

Article 13. Chief Canney moved and Mr. Smith seconded to start the Police Department on a pay grade scale and step program, starting in October 1990 based on similar scales from other towns or use same schedule as State workers. Mr. Canney moved to amend the article to delete reference to "State worker." It was seconded by Mrs. Doria. The amendment carried and then the main motion carried.

Article 14. Chief Canney moved and Mrs. Banks seconded to raise and appropriate Fourteen thousand, five hundred dollars ($14,500) for a new police cruiser. The motion carried.

Article 15. Mr. White moved and Mr. Loiselle seconded to raise and appropriate $1000 for My Friend's Place Program (facility in Dover for homeless in Strafford County.) The motion carried.

Article 16. Mrs. Ball moved and Mrs. Kibbe seconded to raise and appropriate $500 for the Strafford Hospice Care for the care of the terminally ill in Strafford County. The motion carried.

Mr. Smith moved, seconded by Mr. DeFelice, to consider article 34 next. The motion carried.

Article 34. Mr. Russell moved and Mr. Smith seconded to have the Town accept the assets of the Milton Water Precinct, contingent upon the Precinct voting at a meeting to dissolve and convey its assets to the Town and the Selectmen reaching agreement upon the express terms and conditions of such a transfer. The motion was denied.

Article 17. Mr. DeFelice moved and Mr. Gilman seconded to adopt the following amendment to the bylaw adopted under Article 23 at the 1989 Annual Meeting requiring manufactured housing used as a dwelling to be built after June 15, 1976 or to carry a label certifying compliance with HUD standards. The amendment establishes an appeal and waiver process as follows:

Whenever enforcement of this ordinance would entail practical difficulty or unnecessary hardship, and where the individual can demonstrate that the manufactured housing can be used without undue hazard to safety or health, the Selectmen may grant waivers to the requirement that manufactured housing used as a dwelling, be built after June 15, 1976, or be labeled as certifying compliance to the standard for mobile homes, NFPA 501. The motion carried..

Article 18. Mr. Smith moved and Mr. Banks seconded to establish a capital reserve fund pursuant to RSA 35, said capital reserve fund to be entitled "The Industrial Park Improvement Fund", for the purpose of funding construction, reconstruction or acquisition of capital improvements for public facilities within the Milton Industrial Development Park; to raise and appropriate the sum of $ 50,000 to be placed in this fund; and to designate the Selectmen as agents to expend monies from this fund.

Mr. DeFelice moved, seconded by Mr. Kane, to include an amended figure of $25,000. Mrs. White moved, seconded by Mrs. Kibbe. to amend main motion to include "a time limit of one month to establish a capital reserve fund." Both amendments carried as did the main motion.

Article 19. Mr. DeFelice moved, seconded by Mr. Smith, to authorize the Selectmen to sell and convey lots in the Milton Industrial Development Park on such terms and conditions as they deem in the best interests of the Town.
Mr Berry, with a second from Mr. Shute amended the main motion to read "proceeds of town parcels and industrial parcels to go into a capital reserve fund established in Article #18." The amendment carried as did the amended main motion.

Mr. Stewart moved and Mr. Burroughs seconded that the balloting for articles 21 and 22 be carried out at the same time. Motion carried.

Article 21. Mr. Stewart moved and Mr. Burroughs seconded to adopt the following question: "Shall we adopt the provisions of RSA 72:28, V and VI for an optional veteran's exemption and an expanded qualifying war service for veterans seeking the exemption? The optional veterans' exemption is $100 rather than $50." Motion carried by ballot vote: YES 86, NO 10

Article 22. Mr. Stewart moved seconded by Mr. Burroughs, to adopt the following question: "Shall we adopt the provisions of RSA 72:35, IV for an optional property tax exemption on residential property for a service-connected total disability? The optional disability exemption is $1400, rather than $700." Motion carried by ballot vote: Yes 83, No 11

Article 23. Mr. Stewart moved and Mr. Smith seconded to approve the following resolution pursuant to RSA 674:43:

Whereas the Town of Milton has adopted the Zoning Ordinance as provided for in RSA 674:16, and whereas the Planning Board has adopted Subdivision Regulations as provided for in RSA:674:35, be it resolved that the Planning Board is authorized to review and approve or disapprove site plans for the development or change or expansion of use of tracts for Non-Residential use or for Multi-Family Dwelling Units, whether or not such development includes a subdivision or resubdivision of the site.

Also, be it resolved that; it is the duty of the Town Clerk to file with the Strafford County Register of Deeds a certificate of notice showing that the Planning Board has been so authorized. The motion was denied.

Article 24. Mrs. Carlson moved and Mrs. Joos seconded have the Town designate and proclaim April 22, 1990, as Earth Day 1990, and to set aside that day for public activities promoting preservation of the global environment and launching the "Decade of the Environment." The motion carried.

Mr. McKinley moved and Mrs. Kibbe seconded to postpone consideration of article 25 indefinitely.

Article 25. To see if the voters will approve the following resolution: "are you in favor of having the state government and/or federal government pass legislation that would hold N.R.C. (Nuclear Regulatory Commissions) Licensing Board criminally libel for wrongful death or illness, major accidents or undue harm to person, persons property or environment in regards to licensing nuclear power plants. Said legislation would only become enforceable when N.R.C. Licensing board members overlook any testimony or complaint that was submitted during the licensing procedures.
The motion to postpone indefinitely passed.

Mrs. Doria moved, with a 2nd from Mr. Tasker to postpone indefinitely article #26:

Article 26. Are you in favor of cutting the Town Budget to the 1988 level and increasing it by 5%? The motion to postpone indefinitely carried.

Article 27. Mr. Berry moved, seconded by Mr. Shute, that the town have the planning board members elected commencing in 1991? A ballot was required. The motion carried YES 66, NO 19 by ballot

Mr. Berry moved, with a 2nd from Mr. Shute to postpone article 28 indefinitely. Article 28. Are you in favor of seeing only one community in the State of New Hampshire designated for Casino gambling, for the purpose of raising revenue for human services and education, EXCLUSIVELY. Motion to postpone carried.

Article 29. Mr. Srnec moved and Mr. Shute seconded the resolution that any person in town government can either hold only one elective position or appointed chairperson position and vice versa?
Mr. McKinley moved, seconded by Mrs. Doria, to indefinitely postpone. The motion to postpone carried.

Article 32. Mrs. Doria moved and Mr. Doria seconded to raise and appropriate the sum of $75,000 for the purpose of re-evaluating all properties in the town and to authorize the Board of Selectmen to hire an assessor by soliciting bids, to re-evaluate the town consistent with applicable state statutes. The motion carried.

TOWN WARRANT 1991

Warrant for 1991 Town Meeting, Milton, State of New Hampshire.

To the inhabitants of the Town of Milton, County of Strafford in said State, Qualified to vote in Town affairs:

You are hereby notified to meet at the Town House in said town on Tuesday the 12th of March next at ten o'clock in the forenoon with polls not closing before seven o'clock in the evening to act on the following:

1. To bring in your ballots for town officials.

2. "Are you in favor of increasing the board of selectmen to 5 members?"

3. "Are you in favor of changing the term of the town clerk from one year to three years, beginning with the term of the town clerk to be elected at next year's regular town meeting?"

4. "Are you in favor of changing the term of the tax collector from one year to three years, beginning with the term of the tax collector to be elected at next year's regular town meeting?"

5. "Are you in favor of adopting the following ordinance pursuant to RSA 674:43:

Whereas the Town of Milton has adopted the Zoning Ordinance as provided for in RSA 674:16, and whereas the Planning Board has adopted Subdivision Regulations as provided for in RSA 674:36, be it resolved that the Planning Board is authorized to review and approve or disapprove site plans for the development or change or expansion of use of tracts for Non-Residential use or for Multi-Family Dwelling Units, whether or not such development includes a subdivision or resubdivision of the site." Proposed by the Planning Board.

And to consider the articles of business, Saturday, 1:00 pm, March 16, 1991 at the Nute High School Gymnasium.

6. To see if the Town will vote to accept the budget as recommended, and vote to raise and appropriate the sum of One Million, Three Hundred Twenty-Nine Thousand, Nine Hundred Fifty-Nine Dollars ($1,329,959.00) for the purposes therein stated:

7. To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend in the name of the Town grants from federal, state, local and private agencies in accordance with RSA 31:95b.

8. To see if the Town will authorize the Selectmen to hire on notes of the Town a sum of money necessary to pay current expenses in anticipation of taxes of 1991 and pass any vote or votes relative thereto.

9. To see if the Town will vote to raise and appropriate the sum of Forty-Six Thousand, Seventy-Five Dollars ($46,075) to pay the note held by BankEast. If and when the Town is paid by the EPA/Federal Government, the Town will be **TOWN WARRANT 1991**

reimbursed. The Note relates to costs associated with the construction of the Milton Sewer (by Selectmen and by Budget Committee)

10. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (500.00) for the Women's Resource Center (a sexual assault crisis center in Portsmouth) (agency request) (not recommended by Budget Committee)

11. To see if the Town will vote to raise and appropriate the sum of One Thousand, Forty-Four Dollars ($1,044.00) for the Strafford Hospice Care for the care of the terminally ill in Strafford County (agency request) (not recommended by Budget Committee)

12. To see if the Town will vote to raise and appropriate the sum of Two Thousand, Four Hundred Dollars ($2,400.00) for My Friend's Place Program (facility in Dover for homeless in Strafford County) (agency request) (not recommended by Budget Committee)

13. To see if the Town will vote to raise and appropriate the sum of Six Hundred Twenty-Nine Dollars ($629.00) to reimburse Chief Canney for his Attorney's Fees from 1989 (by petition) (not recommended by Budget Committee)

14. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars ($10,000.00) to bring litigation against the teacher's union and the school board to nullify the multi-year contract so it could not be used as the basis for future increases. This is done without malice or prejudice (by petition) (not recommended by Budget Committee)

15. To see if the Town will vote to raise and appropriate the sum of Four Thousand Dollars ($4,000.00) for the purchase of storage containers for recycling newspapers and miscellaneous recycling operating costs (by Recycling Committee) (not recommended by Budget Committee)

16. To see if the Town will vote to establish a capital reserve fund pursuant to RSA 35, said capital reserve fund to be entitled "The Industrial Park Improvement Capital Reserve Fund: for the purpose of funding the engineering and construction of the roadway; to raise and appropriate the sum of Twenty Thousand Dollars ($20,000.00) to be placed in this fund; and to designate the Selectmen as agents to expend monies from this fund (by Industrial Park Committee) (not recommended by Budget Committee)

17. To see if the Town will vote to authorize the Selectmen to sell and convey lots in the Milton Industrial Park on such terms and conditions as they deem in the best interests of the Town (by Industrial Park Committee)

18. To see if the Town will vote to authorize the Selectmen to use the proceeds of town parcels and industrial parcels and these parcels resources to go to the development of the Industrial Park towards the marketing of the properties, not to exceed Two Hundred Thousand Dollars ($200,000) (mainly engineering and site development) (by Industrial Park Committee)

19. To see if the Town will vote to adopt an "educational tax abatement plan." This abatement plan will allow property tax abatements, upon application, to any taxpayer owning real estate in Milton who pays all or a part of the tuition (or textbook expenses) of a Milton elementary or secondary student attending a school meeting the State's compulsory education requirements. The abatement may not exceed $ 1,500 or 85% of the taxpayer's bill. Abatements from multiple property owners can be combined for one student, but the total of such abatements may not exceed $ 1,500 for any one student.

20. "Are you in favor of rescinding the position of town administrator, commencing 1991?" (by petition)

21. "Are you in favor of establishing an escrow account for Section 3.06 Technical Assistance, Milton Planning Board Subdivision Regulations. Said contributions will be solely the responsibility of applicant's to the Milton Planning Board. No funds will be raised and or appropriated by the Town of Milton for Section 3.06 Technical Assistance, Milton Planning Board Subdivision Regulation." (by petition)

22. To see if the Town will vote to change the status of Micah Terrace from the northerly property line of Rachel Pugh's property to the end of the road, a distance of 0.7 miles. The petitioners request that the road be reclassified from a camp road (class VI) to a class V road (by Selectmen)

23. To see if the Town will vote to accept and maintain the remaining 1/2 mile of dirt road known as Micah Terrace (also known as Robs Rd. and Ted & Joan Rd.) (by petition)

24. To see if the Town of Milton will vote to begin preliminary road improvements on that section of Micah Terrace from the Town House Road to Pugh's property, a distance of approximately 1800 feet (by petition) The change in classification from a camp road, class VI, to a class V road was approved at the 1987 Town Meeting (by petition)

25. "Are you in favor of directing the selectmen to update the present landfill policy, effective upon passage of warrant" (by petition)

26. That the town of Milton extend their maintenance of Piggott Hill Road an additional 4/10 of a mile to respond to the needs of the four residential homes and numerous landowners (by petition)

27. "Are you in favor of directing the Milton Sewer Commissioners into bringing the sewer rate for the Milton School District in line with surrounding towns, effective upon passage of warrant" (by petition)

28. "Are you in favor of abolishing all accumulative sick days for all employees of the Town of Milton and limit it to six (6) days non-accumulative per year, effective upon passage of warrant" (by petition)

29. "Are you in favor of having the Town of Milton, do snow removal for all the schools in the Milton School District, effective upon passage of warrant" (by petition)

30. "Are you in favor that all appropriations for salary increases will come before the legislative body for a vote, and that any previous legislation pertaining to salaries will become nil and void without any prejudice of malice, effective upon passage of warrant" (by petition)

31. Are you in favor of adopting the following conflict of interest ordinance, as allowed under RSA 31:39a:

No selectman may hold a position as a town employee, any position where he or she received compensation, be a member of the zoning board of adjustment or be a member of the building code board of appeals, unless required by state statutes? (by petition)

32. Are you in favor of having all of the members of the Zoning Board of Adjustment elected commencing in 1992 as follows:

Two (2) members for three (3) year terms
Two (2) members for two (2) year terms and
One (1) member for a one (1) year term, with terms then becoming three (3) year terms upon expiration? (by petition)

33. "Are you in favor of the Milton School District entering alone into an interstate compact with the Town of Acton, Maine?" (by petition)

34. To see if the Town will vote to change the term of the Police officer at Milton Mills to a three (3) year position **TOWN**

rather that a one (1) year position (by Milton Mills Police Dept.)

35. To transact any other business that may legally come before this meeting.

(Selectmen)

Glenn W. Stewart

Frank X. DeFelice

John L. Gilman

AUDITOR'S REPORT

Each year the Town has a professional audit of the previous year's activities. The audit of 1990 will be done in late spring of 1991. Copies of the audit are public records and are available at the Town Office.

MILTON WATER WASTE WATER TREATMENT PLANT

The Milton Waste Water Plant has been operating very well. The biochemical oxygen demand (BOD) and total suspended solids removal have averaged 90.9% and 87.7% respectively. The average daily flow is approximately 41,400 gallons per day which is only 41% of design capacity. The Town is very fortunate to have this excess capacity to allow for community growth in the years to come. Many plants are near or at capacity and have no room to accept any growth without major expansions.

There have been only a couple of minor problems beyond the normal required maintenance. In particular one 550 gallon chlorine tank ruptured and had to be replaced. Also, there is backpressure on the aeration system which is higher than the calculated backpressure. This means slightly higher electrical operating costs. This problem will be reviewed this year to see what is causing the problem and what steps can be taken to reduce the electrical costs.

Respectively submitted
Dale Sprague

During 1990 the Department saw the Town change in ways that required more time for the patrol vehicles to be on the roads, such as stores staying open 24 hours, a new restaurant opening and more overall traffic. We tried to provide the protection the Town deserves, as a result it took more officers and a lot of hours.

I want to thank all of my officers and their families who put up with training and schools. A professional police department helps to make Milton a pleasant and safe place to live.

Respectfully yours,
William M. Canney, Chief

MILTON AMBULANCE SERVICE REPORT

The Milton Emergency Ambulance responded to 200 calls in 1989.

188 Trips to Frisbie Hospital in Rochester
7 Trips to Wenthworth-Douglas in Dover
4 Trips to Huggins Hospital in Wolfeboro
1 Trip to Portsmouth Regional Hospital in Portsmouth

133 of the calls were for house calls.
39 of the calls were for accidents.
29 of the calls were for non-transports or cancellation.
4 of the calls were for fire standbys.

Milton Ambulance provided mutual aid to the following:

Rochester	- 13 Calls
Farmington	- 18 "
Lebanon, Me.	- 10 "
Wakefield	- 3 "
New Durham	- 1 "
Middleton	- 1 "

As always, I'd like to thank the men and women of the Milton Ambulance for their dedication and professionalism in providing this service for the people of Milton.

John L. Gilman
Director

Total Calls 102

Each year, we face numerous changes in the Fire Service. The Milton Fire Department does it's best to keep up with these ever-changing standards. This requires numerous hours of training. The men of the Department give up countless hours at calls and away from their families. For this I say Thank You.

In closing, I'd like to remind everyone, **"PLEASE CHECK YOUR SMOKE DETECTORS"**. They do save lives.

John L. Gilman
Fire Chief

Subdivision Fees, Mailings & Legal Not.	1,697.00
	$ 4,041.51

Your Planning Board has been busy during this year even though current economic downturns have slowed development. We compiled and distributed a survey form. Your input expressed on this form will be instituted when we update the town's Master Plan which is a guide for your town's development.

We have also been working with the engineers to move forward in the development of your town's Industrial Park.

Your Planning Board consists of: Ed Miller, John Doria, Tom Reid, Bette White, Glenn Stewart, Joe Messina, Ed Orlando, Moe Martel, Curtis Bushby and Joan Ball. It has to be one of the best bargains in town, because we don't get paid.

We are assisted by Rosemary Jeffries, our secretary, the Capital Improvements Committee, the Conservation Commission, Rob Houseman of the Strafford Regional Planning Commission, the town's Attorney and various engineering firms.

We cordially invite you to attend any or all of our meetings.

Respectfully submitted

Your Planning Board

STRAFFORD REGIONAL PLANNING COMMISSION
1990 ANNUAL REPORT

Established under RSA 36:46, the Strafford Regional Planning Commission is a public agency whose primary function is to assist its 16 member communities in planning for the development of the region. The activities of the Commission include developing regional plans covering issues such as transportation, land use and economic development, as well as rendering assistance on local planning problems to member municipalities.

The Commission's work in 1990 focused on some of the more important development issues to face the region in years: the closure and redevelopment of Pease Air Force Base and the loss of jobs at the Portsmouth Naval Shipyard and other area employers. Through it's bimonthly meeting, of municipal representatives, the Commission provides a forum to discuss projects of areawide concern. Plans for the expansion of the Port of New Hampshire and the redevelopment of Pease Air Force Base have been presented to the Commissioners by representatives of the Port Authority, the U.S. Air Force and the Pease Development Authority. Both of these projects will have far reaching regional impact and if properly implemented should lead to the development of beneficial support industries in the region.

The Commission has also been working closely with the New Hampshire Office of Industrial development on a Regional Economic Development Initiative aimed at improving information supplied to prospective employers about the area and available industrial properties. For example, the Commission recently worked closely with and Oklahoma consultant supplying information for use by national firm interested in locating in the region.

Transportation is another important regional issue that comprises a significant amount of the Commission's work program. As the lead planning agency in the Portsmouth-Dover-Rochester metropolitan area, the Commission is charged by the federal government with the coordination of metropolitan transportation planning. The annual development of a five-year transportation improvement program (TIP) is one of the Commission's most important duties. Multimillion dollar projects such as the improvement to Weeks Traffic Circle and the NH 9/NH 155 and Spaulding Turnpike/Gosling road intersections will begin in 1991. Identifying, planning, and securing funding for other needed highway improvements will be the focus of the Commission's future transportation planning work.

An example of such a project is the East-West Highway. In mid-1991 the New Hampshire Department of Transportation (NHDOT) is

expected to present their "preferred alternative", which will be a new highway, reconstruction of existing highways, or a combination of both. Twelve of 16 communities in our region are included in the East-West Highway study area. The Commission's Executive Director serves as Chairman of the Advisory Task Force representing 21 communities that provides input to NHDOT and its consultants at every stage of the 30-month study effort.

The Commission's work program also includes environmental and land use planning. This work is aided by a Geographic Information System (GIS) which permits the storage and manipulation of geographic, environmental, and physical data and the production of final quality color maps. In December 1990 the Commission completed the Water Resources Chapter of the Regional Master Plan which includes a 1:60,000 Hydric Soil Map of the entire region. The analysis and maps can be used at the local level in the preparation of municipal master plans and implementation of ordinances to protect water resources. A similar mapping of Existing land Use patterns will be completed and distributed to our communities in the spring. SRPC is the first region in the state to complete computerized mapping of hydric soils and existing land use at the regional level.

Since 1987 the Commission has coordinated and annual Household Hazardous Waste Collection for residents of Strafford County. Even though County funding for the collection ceased in 1989, the Commission successfully organized a north county collection in Rochester and helped coordinate a Dover-Somersworth collection in 1990. The Commission is working to incorporate Durham, Rollinsford, and other communities in to the Fall 1991 collections.

In 1990 the Commission assisted the Strafford Solid Waste Management District in the preparation of their Solid Waste Management Plan and ongoing recycling programs. The Commission has assisted communities throughout the region in organizing new recycling programs. Tracking and reporting the status of recycling in the region and assisting communities in state grant applications are examples of our work in 1990.

The Commission staff frequently assists member towns and cities in applications for state and federal grants by identifying possible grants, writing applications and reviewing locally developed applications. Examples include Community Development Block Grants (CDBG). Economic Development Grants, and Land Conservation Investment Program Grants. In recent years the Commission has written successful grants for the development of a municipal water supply on Northwood Ridge and Housing rehabilitation for low and moderate income residents in Middleton, Milton, and Farmington. As an extension of local

government, the Commission can administer CDBG when the town does not have adequate or appropriate staff.

The Commission provides a wide array of general assistance to local officials in member communities. Town administrators, conservation commissioners, planning board members, selectmen and councilors frequently call upon Commission staff to solve problems and deal with issues ranging from capital budgeting to the development of municipal ordinances and regulations. Local officials take advantage of the Commission's extensive library and collection of mapped information. Private companies and individuals conduct research at the Commission's office for a variety of purposes. In 1990 Commission staff worked directly with the U.S. Census Bureau to ensure the collection of accurate information in the region. The Commission will be purchasing an extensive amount of 1990 Census data for use by our member communities.

Currently the Commission has four professional planners with a wide range of planning expertise. Staff is available to provide professional planning services on larger planning projects, such as master plans and capital improvement programs, at rate far below those of private consulting firms. Through our Circuit Rider Program staff works with planning boards reviewing subdivision applications, site plans, impact studies, and other development proposals. By state law most of these costs can be passed through to applicants. The Commission now provides a circuit rider or part-time planner to the towns of Barrington, Farmington, New Durham, Newmarket, and Milton.

While the demands on Commission staff are many and varied, we continually seek to improve the services we provide to our member communities. We welcome the opportunity to discuss our work program with local officials and citizens and encourage you to contact your appointed SRPC representatives to share your ideas on the future development of the region and to learn more about our activities.

Respectfully submitted
Paul B. Smith, SRPC Executive Director

RURAL DISTRICT HEALTH COUNCIL, INC.
Annual Report 1990

The Rural District Health Council, Inc. continues as a certified home health agency providing your town with skilled nursing, physical, occupational and speech therapies, medical social worker, home health aides, homemakers and a comprehensive hospice program. We have a 24 hour answering service with a nurse available 24 hours a day, 7 days a week with home visits made as indicated. The staff has made to date, 9253 home visits with 1384 hours of homemaking and 1436 hourly aide.

Services also include child health care from new-born to six years old. This includes physical examinations, immunizations, growth and development, monitoring and counseling.

Every fall, influenza shots are given to the elderly within the elderly health maintenance program.

Remember, in lieu of flowers, a memorial donation may be made in memory of a loved one.

There have been to date for your town, 1118 skilled nursing visits, 222 therapy visits, 373 home health aide visits, 247-1/2 homemaker hours, 9 child health visits, and 69 child health clinic visits, and 765 hourly aide.

Anyone interested in services may contact the Rural District Health Council office at 4 Winter St., Farmington, N.H. 03835 or call 755-2202 from 8-4, Monday - Friday.

Ardala Houle, R.N.
Executive Director

REPORT OF TOWN FOREST FIRE WARDEN
AND
STATE FOREST RANGER

During Calendar Year 1990, the State of New Hampshire experienced an average number of wildfires. The three leading causes of these wildfires were fires kindled without a fire permit from the Forest Fire Warden, permit fires that escaped control and rekindled fires. All of these fires are preventable, but ONLY with your help.

Please help your town and state forest fire officials with forest fire prevention. New Hampshire State Law (RSA 224:27 II) requires that, "No person, firm or corporation shall kindle or cause to be kindled any fire or burn or cause to be burned any material in the open, except when the ground is covered with snow, without first obtaining a written fire permit from the Forest Fire Warden of the town where the burning is to be done."

Violations of RSA 224:27 II and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up the $1,000 and/or a year in jail and you are also liable for all fire suppression costs.

The State of New Hampshire, Division of Forests and Lands assisted many towns in wildland fire suppression during 1990, including a 262 acre fire in Moultonboro and several fires in Hooksett.

In 1990, the New Hampshire Division of Forests and Lands trained 844 local Wardens and Deputy Wardens in the Incident Command System (ICS), an incident management system for all types of emergencies. In 1991, Wardens will be trained in the use of Class A foam in wildfire suppression.

If you have any questions regarding New Hampshire forest fire laws, please contact your local Forest Fire Warden, State Forest Ranger, or the Division of Forests and Lands at 271-2217.

FOREST FIRE STATISTICS - 1990

PARKS AND RECREATION COMMISSION
P. O. BOX 1055
MILTON, NH 03851

OFFICE OF RECREATION SERVICES

The Parks and recreation commission had a very productive year. We welcomed three new members to our group, Tim Uraskevich, Diana Shearn and Joyce Ciccotelli, welcome aboard.

Three town wide sports programs drew excellent response and kept us quite busy. Our youth baseball program had over 130 boys and girls playing in two leagues. The Little League crown was claimed by the team from Merle's Auto Parts for the second straight year. Teams representing Village laundry, Spinale's Restaurant, Milton Police and Milton Fire also participated. The end of the season saw an All Star team representing Milton play in tournaments in South Berwick, Farmington and Rochester. The minor league saw teams sponsored by Dr. James Manning, Ray's Marina and Dames Crane Service get an introduction to competetive sports and a chance to play in organized games.

Fall brought a Youth Soccer program with over 50 youths joining this first time venture. The enthusiasm and skills shown guarantee a successful program in future years. The winter season meant the return of Youth Basketball. After a one year hiatus the program is back with over 40 children participating.

We have also been involved with the planning and construction of the new community playground. We look forward to more progress on this area located behind the elementary school and hope it will help serve the needs of the community for many years.

In conclusion, I would like to take this opportunity to thank all the coaches, the concession stand workers and the parents for their time and support with our programs, without you they would not be possible.

Respectfully Submitted
Jim Culverhouse

PLAYGROUND COMMITTEE REPORT

The Playground Committee, along with many volunteers, have worked hard this year to up-date the Elementary School playground. Work began last year with a detailed "Master Plan" (which is on display at the Elementary School). Since then the little league/soccer field has been started and should be open in the fall after grass becomes established. In addition, an ice-skating rink was built and has been used all winter by children and adults alike.

The next phase of the playground will include up-dating the playground equipment and the play area on the side of the school. Work will proceed as funding becomes available.

Our primary source of funds for the playground has been the school children through their Jump-a-Thon last year, their Spell-a-Thon this year and their recycling efforts in aluminum can drives. Other funding includes donations by the Booster Club, PTA, and a donation from Mrs. Helen Abbott in memory of her husband. This joint effort has also been possible through the cooperation of town and school officials.

We are very proud of our Elementary School children who have worked so hard to provide the financial help on the project and of the volunteers who have given so much to this project. Many weekends and evenings were given up throughout the summer and fall by volunteers from Milton, and even some from out of town. Donations of time, materials and equipment have totaled thousands of dollars so far. Once completed, the playground will be open to everyone.

Respectfully submitted,

Pat Watts, Coordinator

1990 - 1991 Playground Committee:
Virginia Banks
Scott Berry
Jim Culverhouse
Nancy Drew
Sue Kane
Gail Kushner
Pat Watts

TOWN BEACH REPORT

The Milton Town Beach experienced its second consecutive year of tremendous growth in usage. The year's (1990) increase is reflected by a twenty-five percent increase in season passes, and a fifty percent increase in swimming lesson participation. In 1988 fifty people took part in swimming lessons, in 1989 one hundred people took part, and in 1990 one hundred and fifty people participated. This staggering increase has made it necessary to begin swimming lessons one hour before the beach opens to the public and continue until 2:00 P.M. It has also been necessary to hire an additional lifeguard, so that two lessons (classes) are being administered at the same time. Nineteen ninety-one will be the third year that wages per hour have not risen, any increase in total wages are a reflection of a greater number of working hours due to increased usage.

Long term planning for the Town Beach continues to be a concern of the commissioners.

Increased revenue has been the positive effect of the beach's higher usage. Nineteen-ninety revenues were nearly double that of 1988.

The Beach employees continue to be complimented from many beach users for the cleanliness of the beach, and the polite and courteous manner in which they conduct their jobs.

Philip Mollica
Beach Manager
Beach Commissioners
Hervey Tanner, Jr., George Banks
Lloyd Burrows and Rodney Nason
Selectman Glenn Stewart

MINUTES OF THE ANNUAL 1990 MILTON SCHOOL DISTRICT MEETING - MARCH 17, 1990 at 12:30 PM

The Annual Meeting of the legal voters of the Milton School District was held on the above-mentioned date at the Nute High School Auditorium. Meeting was called to order by Moderator, Donavon C. Current presiding.

Mrs. Virginia Banks made a motion to recess the meeting until March 31, 1990 at 10:30 A.M. at the Nute High School Gymnasium, seconded by Mr. John Doria, Motion passed.

Meeting Recessed at 12:32 P.M.

Meeting reconvened on March 31, 1990 at 10:30 A.M. in the Nute High School Auditorium. Meeting was called to order by Moderator, Faye Doria presiding, followed by the repeating of the Lord's Prayer and Pledge of Allegiance to the Flag.

Article 1. Virginia Banks made the motion, seconded by David Buchanan, that the reports of the agents, auditors, committees, and officers chosen be accepted as published in the Town Report. Motion carried.

Article 2. Virginia banks made the motion, seconded by David Buchanan, that the district vote to raise and appropriate the sum of $102,000.00 to cover the cost of educating eight special education students unanticipated at the time of the 1989 Annual School District Meeting (Deficit Appropriation). Motion carried.

Article 3. David Buchanan made a motion, seconded by Virginia Banks, that the School District raise and appropriate $2,992,083.00 for the support of schools, for the salaries of school district officials, agents and employees, for capital construction, and for the payment of statutory obligations of the School District.

Brian White made a motion to limit discussion to one hour, seconded by Laura Banks.

Richard Rodrigue made a motion for an amendment to vote on Article 6 first, seconded by Roger Libby. The Moderator ruled that the assembly continue with Article 3 at this time. The Moderator was overruled by the assembly on a card vote. Yes 85, No 43.

Article 6. Richard Rodrigue made a motion, seconded by Roger Libby to hold the School Budget to the 1989 level with the exception of the Branch River CO-OP.

Richard Rodrigue made a motion, seconded by Richard McKinley to amend Article 6 to hold the School Budget to the 1989 level with the exception of the Branch River CO-OP and that if Article 6 passes then Article 3 will be tabled indefinitely.

Mr. John Doria moved to vote on the Article.

The motion to amend Article 6 and table Article 3 indefinitely was carried by card vote. Yes 84, No 55.

Virginia Banks made a motion, seconded by David Buchanan to amend Article 6; to hold the School Budget to the 1989 level including the $102,000.00 deficit passed in Article 2 and a 4% increase to a total of $2,968,408.00. Show of card vote, Yes 76, No 72. Recount requested. On recount Yes 75, No 77. Motion defeated.

David Buchanan made a motion, seconded by Virginia Banks to amend Article 6 to hold the School Budget to the 1989 level including the $102,000.00 deficit passed in Article 2 and a 3% increase to a total of $2,939,865.00. Show of card vote, Yes 76, No 75. Recount requested, on recount Yes 75, No 77. Fred Russell made a motion, seconded by John Hescock to vote on the amendment by Secret Ballot. Motion for Secret Ballot passed by voice vote. Amendment passed Yes 82, No 79.

Fred Russell made a motion, seconded by Betty White, to approve the motion to hold the School District Budget to the 1989 level including the $102,000.00 deficit passed in Article 2 and a 3% increase to a total of $2,939,865 by secret ballot and the checklist. Motion passed.

The main motion to hold the 1989 School Budget to the 1989 level with the $102,000.00 deficit passed in Article 2 and a 3% increase to a total of $2,939,865.00 was voted by secret ballot.

Meeting recessed from 1:12 P.M. to 2:12 P.M. while polls were open.
Polls closed at 2:12 P.M.

Meeting was reconvened at 2:12 P.M.

The main motion passed by secret ballot Yes 91: No 75.

Article 3 postponed indefinitely.

Article 4. Virginia Banks made a motion, seconded by David Buchanan to see if the School District will vote to raise and appropriate $1,500.00, to help support with other school districts a court challenge to the constitutionality of New Hampshire's method of funding public education through near total reliance on local property taxes. Motion passed by card vote Yes 72; No 55.

Article 5. David Buchanan made a motion, seconded by Virginia Banks that the residents of the Milton School District find the State of New Hampshire to be negligent in the funding of Public Education, thus creating an undue burden on the local property taxpayers. We demand that the State of New Hampshire Legislature begin in earnest to study the methods for substantially increasing State Aid to education. Motion passed.

Article 7. Richard Rodrigue made a motion, seconded by Edward McKinley to table the Article 7 indefinitely. Motion passed.

Article 8. Richard Rodrigue made a motion, seconded by Edward McKinley to table the Article 8 indefinitely. Motion passed.

Article 9. David Buchanan made a motion, seconded by Richard Rodrigue to see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or State agencies; private agencies and/or other sources in accord with the provisions of RSA 198:20-b. Motion passed.

Article 10. Virginia Banks made a motion, seconded by David Buchanan, to table Article 10 indefinitely. Motion passed.

Article 11. Mrs. McKinley made a motion, seconded by Mike Smith to hold next year's School District Meeting at 1:00 P.M. on Saturday afternoon. Motion passed.

Edward McKinley made a motion, seconded by John Doria to adjourn the meeting.

Meeting adjourned at 2:54 P.M.

October 24, 1990
7:00 p.m.

The Special District Meeting of the legal voters of the Milton School District, convened as the result of petitions presented to the School Board at the September 29, 1990 Board Meeting. The Meeting was held on the above mentioned date at the Nute High Auditorium. Meeting was called to order by Moderator, Donovan C. Current, presiding, followed by the Pledge of Allegiance to the Flag.

Article 1. Richard Rodrigue made the motion, seconded by Scott Berry to see if the Milton School District will vote to prohibit the Milton School Board from entering into any future binding negotiated agreement with the Milton Teacher's Bargaining Unit unless the voters of the School District shall have raised and appropriated by separate warrant article, a sum of money necessary to fund said proposed contract. Said money to have been raised and appropriated at the March meeting only.

Mr. Rodrigue made a motion, seconded by Mr. Berry to amend the article to delete the word only, having the last sentence read Said money to have been raised and appropriated at the March meeting.

THE STATE OF NEW HAMPSHIRE
(Cont.)

Faye Doria made a motion, seconded by Sheldon Damon to delete the word March making the last sentence read; Said money to have been raised and appropriated at a Meeting.

The vote by card vote to delete the word March was denied.

The vote by voice vote to delete the word "only" passed.

Mr. Rodrigue made a motion, seconded by Mr. Berry to vote the main motion on the floor by secret ballot. Motion passed.

The main motion on the floor with the word "only" deleted was passed by ballot vote: Yes 110; No 44.

The meeting adjourned at 8:50 p.m.

TENTATIVE
THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School district in the town of MILTON *qualified to vote in district affairs:*

You are hereby notified to meet at the NUTE HIGH SCHOOL GYMNASIUM in said district on the 2nd day of March 1991, at 1:00 o'clock in the after noon, to act upon the following subjects:

1. To hear reports of agents, auditors, committees, or officers chosen and pass any vote relating thereto.

2. To see if the District will vote to raise and appropriate the sum of two hundred thirty six thousand dollars ($236,000) as a deficit appropriation ($102,000, special education voted on March 31, 1990 and 134,000 deficit in auditors report) to be added to the 1990-91 appropriation. (Deficit Appropriation)

3. To see if the School District will form a committee of five (5) members to work for the passage of an interstate compact with Acton, Maine. (School Board will appoint)

4. To see if the School District will authorize the School Board to make application for and to receive and expend, in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government and/or State agencies; private agencies and/or other sources in accord with the provisions of RSA 198:20-b.

5. To see if the School District will vote to adopt the provisions of RSA 189-8 concerning the transportation of pupils to and from school.

6. To see if the School District will vote to raise and appropriate the sum of _____dollars to fund the cost items of the District collective bargaining agreement for the 1991-92 years.

7. To see if the district will vote to approve and raise and appropriate a sum not to exceed twenty thousand dollars ($20,000) for the purpose of purchasing bookkeeping computer hardware and software. Said sum to be paid by a serial note over a 3 year period. Amount not to exceed $6,666.66 per year which includes principal and interest. (2/3 Vote By Ballot)

8. To see what sum of money the School District will raise and appropriate for the support of schools, for the salaries of school district officials, agents and employees, for capital construction, and for the payment of statutory obligations of the School District.

9. To choose agents and committees in relation to any subject embraced in this warrant.

10. To see if the voters will declare the Milton school system, a right to work system. (By Petition)

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and the Citizens of the Milton School District:

Enrollment in the Milton Schools as of October 1, 1990, was as follows:

Grade	R	1	2	3	4	5	6	7	8	9	10	11	12	Total
Milton Mills	7			23										30
Milton Grammar		58	33	63	56	31								241
Nute High							53	45	44	39	53	26	32	292
	7	58	33	86	56	31	53	45	44	39	53	26	32	563

The Milton School District is responsible for the education of children with special needs. These children were assigned as follows:

St. Ann's Home - 1; Philbrook Center - 1; New Franklin School - 1; Wolfeboro Area Children's Center - 1; Times of Rhymes Pre-School - 7; Strafford County Child Development Center - 1; Spaulding High School - 1; Strafford Learning Center TIP - 1; TAC - 6; ASE - 3. These pupils raise the total number of children to be educated by the school district to 586.

The citizens of Miton should be pleased with the education they are providing. It is not an outstanding education but it does provide the students the tools and the basics necessary to be successful in adult life. Any reduction in the present level would place your children at risk. The California Achievement Test scores are at an acceptable level but show that both the educational community and the citizens need to continue to support the budget and work toward educational improvement.

Late last year Mrs. drew, Elementary Principal, and her staff wrote and submitted a proposal to the New Hampshire Association for better schools. The School Improvement Program, which this organization sponsors, provides hands on as well as financial support to upgrade both the type of teaching and the programs to be taught. Milton Elementary School was selected. As a result, in the summer and fall of 1990 a committee of teachers, administrators and parents have been working with the school improvement people to identify the areas of weakness and take steps to correct them.

This year the school board, administration and members of the community have worked tirelessly to have the cooperative high school become a reality. Untold hours were spent to see if this process would be feasible. I will state at this time that if Milton joins up with any town or any combination of towns in a cooperative venture, we can not only provide a broader education program but at a lower per pupil cost. Nute now has classes of 8, 10 and 12 students. Most of these classes could be doubled in size without any additional expenditures except books and supplies. The cost savings to both communities would be

significant. The problem for Nute is space. The School board of Milton is now taking steps with Acton, Maine in forming an interstate cooperative. I wholeheartedly support such an arrangement because of cost savings and improvement in education that will be available for both towns.

The new transportation program has been operating for a year now so we made an analysis of transportation costs. We compared our per mile cost with that of the communities around us, and that of a private contractor. You will be interested to note that although some of you are complaining about the costs, they are comparable with other communities and $.40 per mile less than a private contractor. The big advantage in owning your own buses is that there is much tighter control in every respect. Further, the buses will be paid for in a couple of years, your costs should reduce accordingly.

This year the high school started an alternative school for those students who were unable to function in the regular classroom. There were 5 students in it and great progress was being made to prepare these students for graduation. Unfortunately, we ran out of funds and therefore, had to drop the program. It is unfortunate that most of these students are no longer in school. I state this because experience has proven that you and your children will be paying to support some of these children for their lifetime.

For the last year and even earlier, the board and administration have been trying to solve their financial problems. These problems revolve, in large part, around several years of bookkeeping, the method of bookkeeping, and auditing. The board was finally able to get to the bottom of the problem, which has already been presented. However, part of the solution is to develop a more business like bookkeeping process. It means an initial expenditure for equipment and a program but it is one that is successfully operated now in 18 school systems in the state.

It seems our financial woes never end. I received a notice a few months ago that our state foundation aid would be cut $40,808. This is a serious loss and caused by the state's own financial problems. The board has directed me, and I have written to our representatives instructing them to support full funding and to vote in opposition to any reduction in state aid.

Our special education program is one to be proud of. It is serving the children with special needs and it is being done at an economical level. I congratulate Assistant Superintendent Damon for his concern for the welfare of children and his organizational ability which has helped reduce the cost of the overall program. This is a large part of our budget and it is reassuring to note that services are being provided and at the same time in the most economical way.

I truly have enjoyed working with the board, staff and community in providing education for your children. Being child centered myself, it is refreshing to work in a community that expressed real concern for their future generations.

Respectfully submitted,
Thayer D. Wade
Superintendent of Schools

PRINCIPAL'S REPORT
MILTON ELEMENTARY SCHOOLS

The 1990-91 school year at the Milton Elementary and Milton Mills Schools began with a major change in school hours. Previously, students were in class from 8:00 a.m. until 2:30 p.m. Early morning buses would arrive at 7:20 a.m. and the last bus would leave the school at 3:40 p.m. This schedule caused all bus students to spend a goodly amount of time waiting either before or after school. With the split in the bus runs, (middle and high School students ride separately from the elementary school students) we have eliminated the extended wait on the playground and added learning time to the school day. Milton Elementary School students attend classes from 8:15 a.m. until 3:15 p.m. Milton Mills school is in session each day from 8:30 until 2:55, with the exception of every Thursday afternoon, when the Readiness and Second Grade students are bused to Milton Elementary for Phys Ed. and Library.

The Language curriculum continues to be our focus for improvement. Using the Scribner Basal and incorporating writing, spelling, grammar, phonics, punctuation, and penmanship in conjunction with intensive reading instruction, we hope to see the improvements reflected in the California Achievement tests which will be administered in the spring.

Our student enrollment continues to grow. As of December 31, 1990, the number of students in each grade is as follows: Readiness - 7 Grade One - 60; Grade Two - 53; Grade Three - 67; Grade Four - 56; Grade Five - 29. Enrollment figures for December 31, 1988 were 238; 1989 - 262; and 1990 - 272. In September of 1991, the 29 Fifth Grade students will move on to the Middle School, and be replaced by 60 - 65 new First Graders. With a projected enrollment of over 300 students, there is a pressing need for an additional classroom teacher.

We are fortunate to have retained most of our fine staff. Helen Abbott, who retired this year after more than 50 years in the teaching profession, is sadly missed. Presently our classroom teaching staff of twelve include: Readiness, Nancy LeRay, 7 students; Grade 1, Karen Alden, 24 students and Kelley Eaves, 23 students; Grade 1/2, Cynthia Campbell, 18 students; Grade 2, Susan Corning, 23 students and Betty Hughes, 25 students; Grade 3 Elaine Conboy, 27 students and Denise Daigle, 28 students; Grade 3/4, Wanda Ordway, 21 Students; Grade 4, Marianne Doane, 24 students and Luaine Marshall, 23 students; and Grade 5, Linda Bates, 29 students. Other teaching staff include: Barbara Litman, Remedial Reading/Chapter 1 Coordinator; Joyce Nutter Wood, Media Generalist/Gifted and Talented Coordinator; Hope Baldwin, Resource Room Teacher; Gail Kushner, Guidance counselor and Joan Paige, School Nurse. The Phys Ed. teachers Kirk Sharrow and Linda DiCapua are responsible for all Physical Education classes in grades Readiness through 12 at all

three buildings. Other staff, working part time at the Elementary School include Jean Mortimer, Speech Pathologist; Pamela O'Connor, Speech Teacher; and Edward Harding, Music Teacher. Ms Suzanne Frizzell, Art Teacher at Nute, works with the elementary students one period per day..

Forty students with special needs receive instruction in the regular classroom and the Resource Room as the Milton Schools have embraced the Regular Education Initiative philosophy. Of thee forty students served in grades Readiness through Five, ten have very high needs and would require an out of district placement where tuition and transportation costs average $27,000 per student per year. Presently we have only two students at the elementary level in out of district placements. This is possible only through the hard work and dedication of our four full time and two part time Special Ed. teaching assistants.

Milton Elementary Schools continue to receive Federal moneys which totally fund the Chapter I Reading and Math Program. Chapter I employs a full time math teacher, Esther Culverhouse who replaced Anneke Wegscheider, and three part time aides who work with students in grades 1, 2 & 3. Chapter I serves students who are achieving below grade level, but do not qualify for Special Ed services.

In March of 1990, we were notified that Milton Elementary Schools had been selected as one of eight new schools to be admitted to the School Improvement Program (SIP). this nationally recognized program, to help good schools become better, was launched three years ago by the Governor, Commissioner of Education and the sponsoring organization, the NH Alliance for Effective Schools. The Milton School Improvement Team includes teaching and support staff, administrators and community members. having received the indepth Milton School Profile, the twelve team members have been sifting through the compiled data, and are formulating ideas for improving student outcomes.

One visible change at the Elementary School this year is the extensive construction that is taking place behind the addition. In February 1990, Milton Parks and Recreation Committee in conjunction with the Milton PTA launched a major renovation project to upgrade use of the fields and play area. A comprehensive blueprint was drawn up and presented in the spring. With start up moneys raised by the students through a jump-a-thon, aluminum can drives and sportswear sales; we are presently anticipating completion of Phase II. This major renovation is taking place only through the generous donations of time, money and labor by many local businesses, organizations and individuals.

PRINCIPAL'S REPORT
MILTON ELEMENTARY SCHOOLS
(Cont.)

The Milton Schools are most fortunate to have a dedicated staff, supportive parents, and an interested and informed community to support its comprehensive, educational program. On behalf of our students, I wish to thank all of you who continue to make it possible for the Milton Elementary Schools to prepare our children for the twenty-first century.

Respectfully submitted,
Nancy J. Drew, B.S., M.Ed., M.S.Ed.

PRINCIPAL'S REPORT
NUTE HIGH SCHOOL

The school graduated 36 seniors in 1990 of which one was a foreign exchange student. Of this number, 19 have continued their educational careers in either a two or a four year college or the military. This is a 54% placement rate. The class valedictorian was Amy Scott and the salutatorian was Eva Wallace.

William Boyer attended the St. Paul's School Advanced Studies Program in Ecology and Janice Saragian attended the Mathematics and Marine Science program at UNH. Each were highly successful and found the programs to be very worthwhile. Chandra Joos was the schools delegate to the Hugh O'Brien Foundation Conference. The Founder's Day oratorical contest was won by Alicia Pipkin at the high school level and by Raenya Burkhart at the middle school level. Amy Scott was a winner of the essay contest sponsored by the Strafford County Homemakers Association.

The 1990-91 school year was a very positive one which was marked by a great deal of school spirit and community involvement. The class of 1990 will be remembered for its energy and dedication to projects both within the town and within the school. The class sponsored a family appreciation day and presented the play "Up The Down Staircase". Athletically, the boys' basketball and girls' softball teams were the best shows in town, as each won their respective class "S: state championship. These championships were the crowning achievements for these seniors who had been working together for the past five years. David Burrows set the all-time career scoring record for the State of New Hampshire in boys' basketball. His grand total was 2845 points in NHIAA games.

We have worked hard on establishing an identity for the sixth, seventh, and eighth grade program by sponsoring middle school oriented activities such as clubs, dances and separate athletic teams. The middle school and high school groups are separated as much as possible within the building and also are on a separate bell schedule.

The administration and staff of Nute High School appreciate the support of the town. A quality education is a must in this highly competitive world. Please feel free to visit school anytime.

Respectfully submitted,
Andrew S. Moore, Principal

ELEMENTARY
GUIDANCE COUNSELOR'S REPORT

The guidance curriculum at Milton Elementary continues to be and integral part of the students total educational experience. The counselor works with each classroom for a forty-five minute period once a week to provide lessons in decision making, self esteem, conflict resolution, child and drug abuse prevention, and career exploration.

Individual and small group sessions are arranged for children with special needs, i.e. dealing with divorce, building positive peer relationships, stress management, living in an alcholic home, and dealing with death and grief. Thirty to forty students are seen in this setting each week. The counselor is also available for crisis counseling for children and parents as needed. A current list of referral sources are available, as the counselor works with community agencies in helping families arrange additional services.

The counselor works closely with parents, teachers and administrators on the Child Study Team and Pupil Placement Team to identify and monitor individuals with special academic and personal needs. She serves on the Drug Task Force, Rochester Area Family Support Team and the P.T.A. to remain current on community and educational resources that will benefit the children of Milton. This year, Susan Patrick, an extern from the University of New Hampshire, worked closely with the guidance department as an additional resource for children.

The emphasis at Milton Elementary is to enhance each student's positive self image. The counselor initiated several programs such as "Star of the Week", Sunshine-grams, Student Council and a variety of opportunities for each child to "shine". The most important function of the counselor is to serve as each child's advocate and to be an additional resource to ensure each child has a positive educational experience.

Many thanks to all of the community members that made our annual Career Day a success. We look forward to working with you and your children in the future.

Respectfully submitted,
Gail Kushner, B.A., M.A.

SCHOOL NURSES' REPORT

The school is an important part of the student's world and important health services are provided in this setting. A health evaluation is done on a yearly basis for grades Readiness through 5 and every other year for the Middle School and High School. This evaluation includes hearing, vision, height, and weight screenings. Students in grades 5 thru 8 are also screened for scoliosis and appropriate referrals are made if necessary.

Health records, including immunization records, are kept and audited to state requirements with ongoing review to insure compliance with regulations. Our goal continues to be on wellness through education and preventative medicine. Along with our first aid duties, we help teach and reinforce independence and the accurate handling of first aid and emergency situations by the students. Students visit the health offices to discuss not only their own health and that of their families but to use the office as a good health resource center.

We are involved in health education, either as a resource person or as a teacher in the classroom. We promote educational assemblies for students and work with teachers to encourage use of health issues within the class structure. The school nurses continue to attend informational meetings to keep current on health issues. We are active on health-related committees within the school and community and continue to act as a resource for families in health care planning, i.e., physical, emotional, social and financial.

We continue to help with the Community Christmas Project, SIS, and the Christmas Craft Fair. This coming January we hope to start for the 5th graders the program known as "D.A.R.E.". This program stands for Drug Abuse Resistance Education and is presented by members of the New Hampshire State Police. Students will learn about the many subtle pressures that lead to experimentation with drugs and ways to say "no" to drugs. D.A.R.E. also focuses on self-esteem, interpersonal communication skills, decision-making, and positive alternatives to drug abuse behavior. The program will be visited by an assigned instructor once a week for 17 weeks. Lessons will last 45-60 minutes and involves students in a variety of exercises, both written and oral. The instructor spends the entire day at the school.

Last June we had a wellness week at the elementary school. The theme was centered around "safety" which included water, boat, first aide, bicycle, electrical and pedestrian. Students enjoyed speakers, videos and other numerous classroom activities.

SCHOOL NURSES' REPORT
(Cont.)

At the Middle School and High School level, Cherie Corbett was hired last year on a part time basis. While in her first year there, she was able to institute a program known as Peer outreach. This group has 16 students and four adult facilitators. This group works with students on such issues as building self-esteem, drug related issues, suicide, helping others to cope with painful feeling, and cross-education to the elementary school. this year we sponsored the "Harvest Dance" for both Middle and High Schools. The funds were raised to help send more students next year to be trained as peer leaders. Members from the Peer outreach group also acted out several plays dealing with alcohol use within the family and had a guest speaker talk about drunk driving. This presentation was for all students at the Middle and High School and the 5th graders at the elementary school. This December, before school lets out for the Christmas holiday, the group will have an assembly with eight professional guest speakers dealing with stress, self-coping, family and dating violence, suicide, crisis intervention, and teaching students where to go for help. The students from Peer Outreach want to show their peers that they really do care about them and their well being.

We are trying to create a healthy, caring and nurturing environment for our students. We must work together to insure that the health needs of the students and their families are served. We wish to extend our thanks to every one for their support and co-operation during the past years.

Respectfully submitted,
Joan Paige, R.N., B.A.
Cherie Corbett, R.N.

CHAPTER I PROJECT
MANAGER'S REPORT

The Chapter I Project at the Milton Elementary School is a federally funded program that provides remedial services in reading and math to elementary school students who fall below the 35th percentile in standardized testing.

The share of funds that the Milton Elementary School receives for this project is determined by the results of the United States Census for Milton, New Hampshire and the number of Milton school children eligible to receive free and reduced-price hot lunches.

Our current operating budget is $42,075. From this sum we pay the salary and benefits for one full-time certified math teacher, a full-time reading aide, a half-time reading aide, and a reading/math aide at Milton Mills.

At the present, we service 16 children in grade 1, 17 children in grade 2, 15 children in grade 3, 9 children in grade 4 and 6 children in grade 5. We are proud of the progress that our children are making.

Children who enter the Chapter I program receive services for one-half hour for a minimum of three times per week. There are no more than four children per group and the additional instruction is done in addition to regular classroom instruction. The Chapter I students are receiving double-time instruction in reading or math. The children do not miss out on snack, recess, gym, art, or music. Chapter I instruction is done during academic time.

At the end of the school year the current chapter I students are re-tested to measure the gains they have made. The results are sent anonymously to the Department of Education in Concord, who evaluates our program each year. At this time decisions are made regarding students who may or may not be eligible to receive services for the following year. Our re-evaluation is done for each student at least once a year. Some students make such significant progress that they are released from the Chapter I program at mid-year. On occasion, parents who have children ready to be released form the program will ask that their child be allowed to continue to receive the additional help.

At the end of the 1990-1991 fiscal year the Milton Elementary School Math and Reading Project has $1,891 in its account.

Respectfully submitted
Barbara Litman, B.A./M.Ed.
